## CALL FOR SESSIONS

KMA's 2008 Annual Meeting Program Committee invites you to submit session proposals.

Sessions come from a variety of inspirations - personal experiences, an exceptional session you heard elsewhere, a follow-up on an earlier session, or a worthy topic that needs addressing. We welcome your suggestions.

**Please submit the following:**

**Session Proposal Form:** Please include the description of the session or workshop in 125 words or less; will be used in preliminary program; consider focus and intent of proposal; and summarize main points to be covered in the session. Be sure to include the names of all additional presenters and their contact information.

***All presenters are expected to register for the conference, if they plan on attending other sessions. The Kansas Museums Association does not pay for travel expenses or stipends for session speakers.***

**Please submit a completed Session Proposal form (attached)
